

日照荣诺兄弟工业品有限公司成立于2018年，它是一家橡胶板垫和橡胶制品生产及应用解决方案供应商，致力于为全球用户提供各种用途的橡胶板垫和橡胶制品的研发与应用的解决方案。

经过几年的发展，荣诺兄弟工业已经成为一家非常成熟有实力的橡胶板垫和橡胶制品的生产制造商。特别是在汽车用品和交通器材高领域，荣诺兄弟工业已经成为知名品牌。

产品远销日本、美国、欧洲、澳大利亚、东南亚等40多个国家和地区。

Honor Brothers Industry Products Co., Ltd. was established in 2018, it is a supplier of application and solution for rubber mats / sheets and products ,

It commits to provide research and development for rubber mats , sheets and products for global users .

After more than several years of development, Honor Brothers industry has become a very mature and powerful manufacturer for rubber mats , sheets and customized products. Especially in the field of automotive supplies , Traffic equipment , Honor brothers industry has become a well-known brand.

All the products are welcomed both in China and overseas, such as Japan, America, Europe, Australia, Southeast Asia, more than 40 countries and regions.

Pickup rubber bedmat F5515

Model : F5515

Material : Reclaimed rubber

Specifications: 1680mm X 1620mm X 8mm
(5.5 ' X 5.3 ' X 0.32 ' ')

Weight: 15KG-28KG

Application: For pickup boot/cargo box

Applicable model : F5515 for Ford

F150 at the year 2015-2018

Advantage: Skid resistance/wear

resistance/corrosion resistance/

aging resistance/moisture

resistance/ventilation/good

drainage

Pickup rubber bedmat D5519

Model : D5519

Material : Reclaimed rubber

Specifications: 1670mm X 1475mm X 8mm
(5.5 ' X 4.85 ' X 0.32 ')

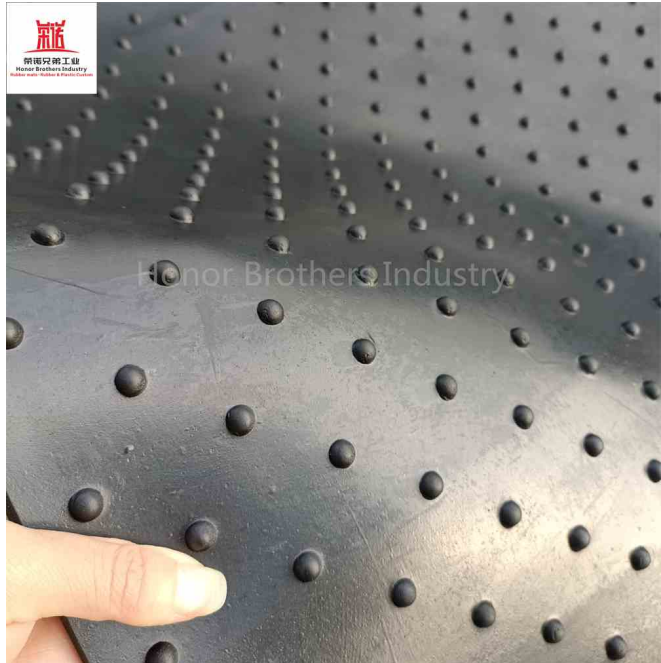

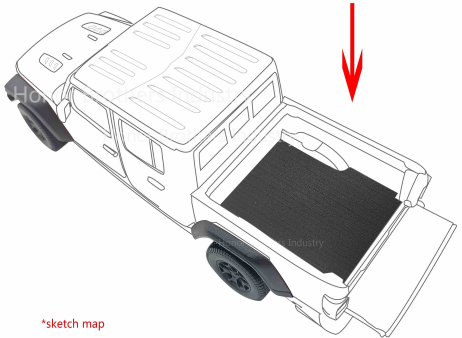

Weight: 15KG-28KG

Application: For pickup boot/cargo box
Applicable model : D5519 for DODGE

RAM 1500 at the year 2019-2020

Advantage: Skid resistance/wear resistance/corrosion resistance/aging resistance/moisture resistance/ventilation/good drainage

Pickup truck rubber mat

Pickup truck tailgate rubber mat TG1593

Model : TG1593

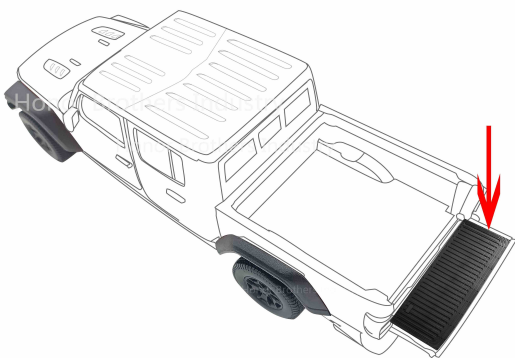

Material : Reclaimed rubber

Specifications: 1593 * 533mm * 7.5mm * 6kg

Application: Pickup truck tailgate

Advantage: Anti slip/anti moisture/anti-collision/cushioning/compression/enhanced friction

Pickup truck tailgate rubber mat

Fixing screw

Specification: 4 * 20mm

Heavy truck mudguard mat HM570

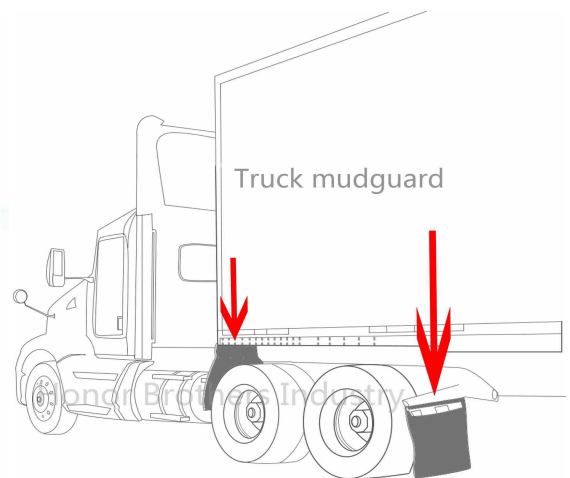

Model : HM570

Material : Reclaimed rubber

Specifications: 570 * 300mm *10mm * 2.4kg

Application: truck

Advantage: Tyre shield, which can prevent sand and rain from splashing, stone from splashing, and protect car paint. It is flexible, corrosion resistant and aging resistant

产品属性：

The mat size range尺寸: 1524mm X 914mm X 12mm (60 ' ' X 36 ' ' X 0.47 ' ')

Any sizes can be customized尺寸可定制 .

The own weight重量 : 9KG

Color颜色: black, red, green . (Any color can be customized) 黑红绿 , 可定制

Materials材质: Natural rubber, SBR, nitrile rubber NBR or EPDM rubber , etc. it can be customized according to requirements of special materials oil-proof, acid and alkali-resistance, antibacterial, fire-retardant.

天然胶, SBR , 丁腈 , EPDM , 再生胶等。可根据耐油酸碱 , 阻燃等要求定制。

Application用途:

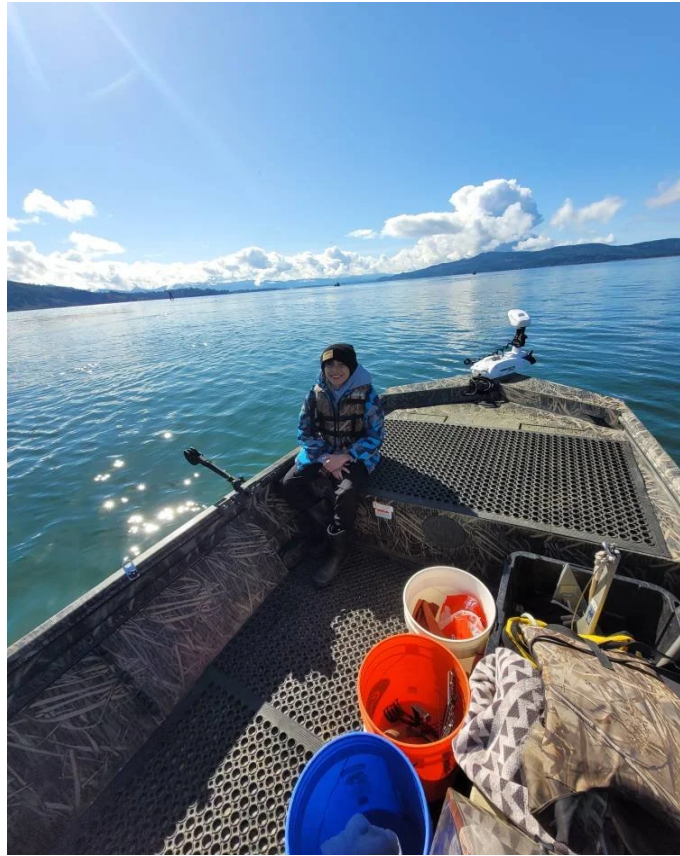

Be used in cabin , hotels, fast food restaurants, coffee shops, restaurants, dishes, kitchen and other places to prevent accidental injury; reduce fatigue.

可用于船舱、宾馆、快餐店、咖啡厅、餐厅、菜馆、厨房等场所, 防止意外伤害; 减少疲劳等场所。

Features特点:

No odor and environmental protection synthetic rubber, oil-proof , beautiful color, texture, soft and tough, long strip shaped aperture drainage and convenient cleaning.

无异味环保合成橡胶, 防油, 色泽美观, 质地柔软坚韧, 长条形孔径排水, 清洗方便。

产品属性

The mat size range尺寸: 1000mm X 1000mm X 15mm (39.4 ' ' X 39.4 ' ' X 0.59 ' ')
 600mm X 600mm X 15mm (23.6 ' ' X 23.6 ' ' X 0.59 ' ')
 The sizes can be customized .

The own weight重量 :3- 5KG

Color颜色: black, red, green . (Any color can be customized) 黑红绿 , 可定制

Rubber doormat HD7501

Model : HD7501

Material : Reclaimed rubber

Specifications: 750*450mm *8mm * 2kg

Application: Outdoor places such as doorway, garden and balcony

Advantage: Anti slip, waterproof, corrosion resistant, aging resistant, thick and stable board mat, Large hole design effectively removes sediment on the sole

Model : HD7502

Material : Reclaimed rubber

Specifications: 750*450mm*8mm *1.8kg

Application: Outdoor places such as doorway, garden and balcony

Advantage: Anti slip, waterproof, corrosion

resistant, aging resistant, thick and stable board mat, large hole design effectively

removes sediment on the sole

Rubber doormat HD7503

Model : HD7503

Material : Reclaimed rubber

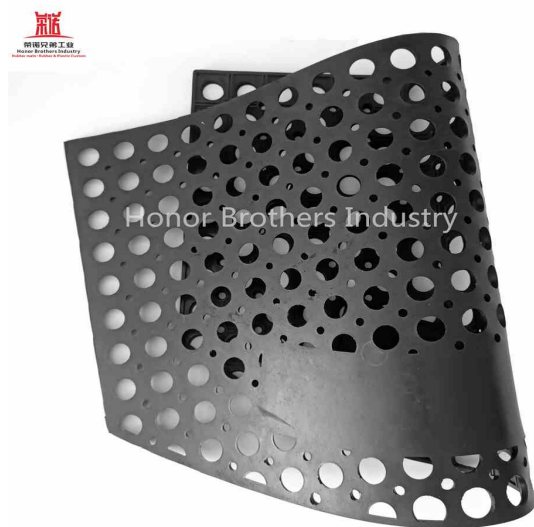

Specifications: 750*450*8mm * 2.1kg

Application: Outdoor places such as doorway, garden and balcony

Advantage: Anti slip, waterproof, corrosion

resistant, aging resistant, thick and stable board mat, large hole design effectively

removes sediment on the sole

Model : HC1501

Material : Reclaimed rubber

Specifications: roll

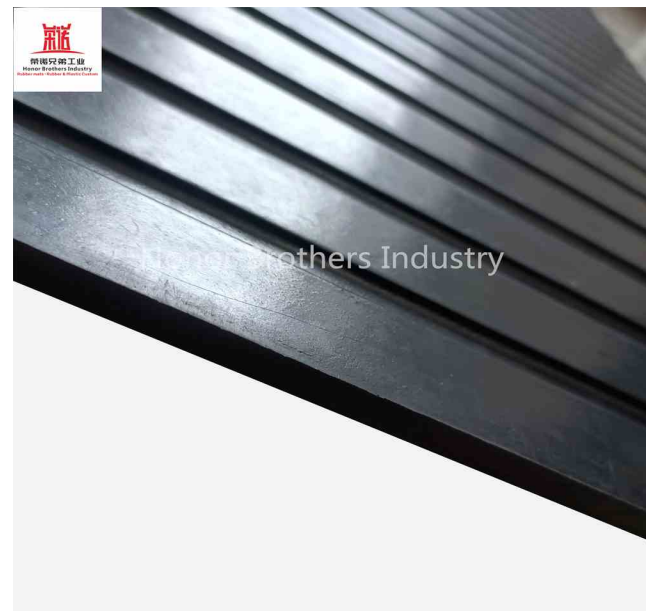

Width: 1-2m

Length: 10-100m

Thickness: 4-30mm

Application: Cow farm/horse pen/pig pen/
sheep pen and other livestock breeding
places

Advantage: High grade cow mat, stable and
thick, anti-skid and wear-resistant,
warm, ventilated and blowdown, easy to
clean, longer service life

Stables/pigstys/cow rubber roll HC1502

Model : HC1502

Material : Reclaimed rubber

Specifications: roll

Width: 1-2m

Length: 10-100m

Thickness: 4-30mm

Application: Cow farm/horse pen/pig pen/sheep pen and other livestock breeding places

Advantage: High grade cow mat, stable and thick, anti-skid and wear-resistant, warm, ventilated and blowdown, easy to clean, longer service life

Model : HS2001

Material : Reclaimed rubber+thread/cloth

Specifications: roll

Width: 1-2m

Length: 10-100m

Thickness: 6-50mm

Clamp layer: 1-8

Application: Industrial damping cloth clamping rubber roll

Factories, mechanical equipment, stadiums, ports, ships, freight cars, ground noise equipment, etc

Advantage: Vibration and noise reduction, anti-skid and wear-resistant, aging resistant, corrosion resistant, buffering

Model : HS2002

Material : Reclaimed rubber

Specifications: roll/block

Width: 1-2m

Length: 10-100m

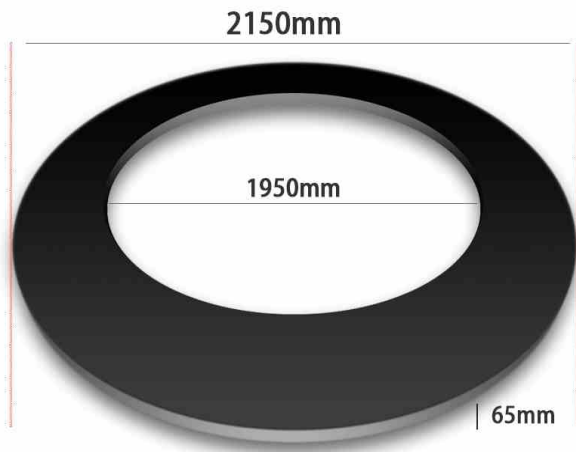

Thickness: 10-100mm

Application: Industrial damping cloth
clamping rubber roll

Factories, mechanical equipment, stadiums,
ports, ships, freight cars, ground noise
equipment, etc

Advantage: Vibration and noise reduction,
anti-skid and wear-resistant, aging
resistant, corrosion resistant, buffering

Model : HS2150

Material : Reclaimed rubber+steel plate

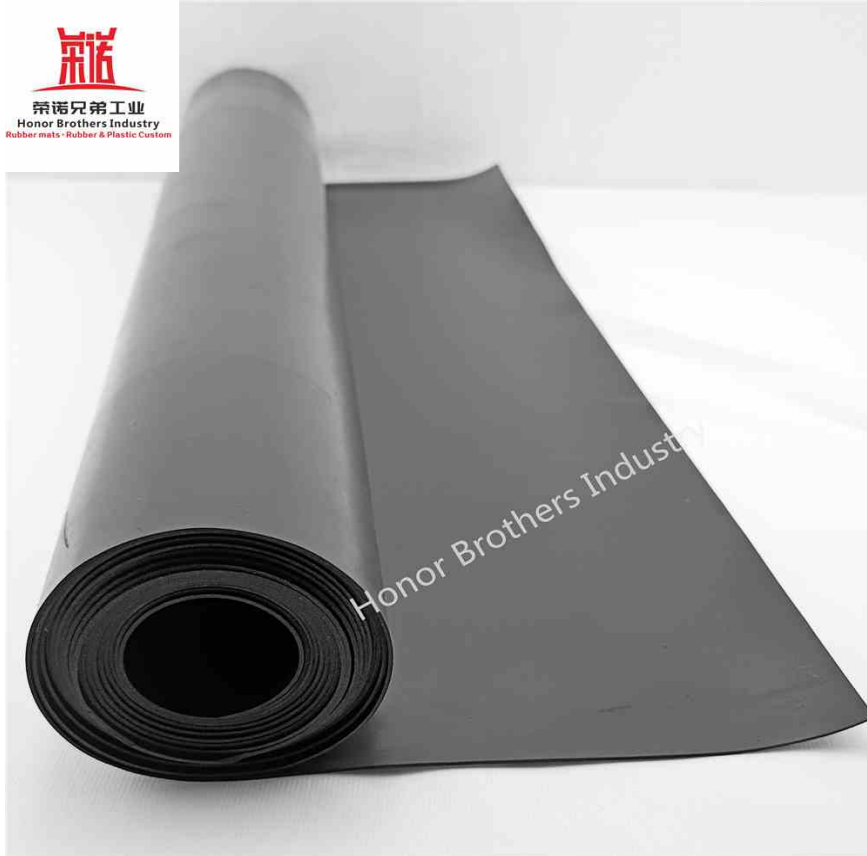

Speci fi cations: 2150*1950mm * 65mm

Wei ght: 450kg

Appli cation: Large engines, mechanical equipment,
shock absorpti on and noi se reducti on

Advantage: Vi brati on and noi se reducti on,
anti -ski d and wear-resi stant, agi ng
resi stant, corrosi on resi stant, bufferi ng

Model : HR1501

Material : Reclaimed rubber

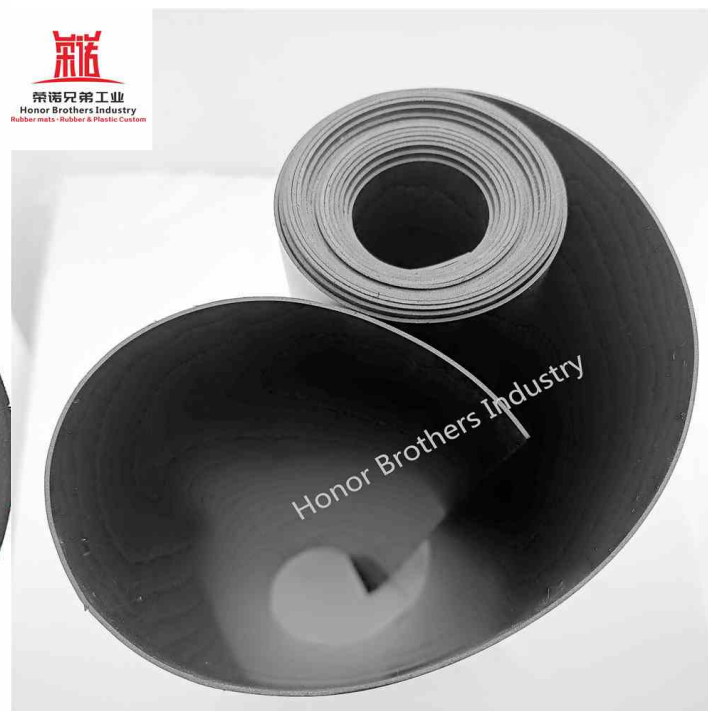

Width: 1-2m

Length: 10-50m

Thickness: 3-20mm

Application: Substation, power plant, power distribution room, laboratory, field live work, etc

Advantage: Insulation, anti-skid, corrosion resistance, aging resistance, high and low temperature resistance

Model : HR1502

Material : Reclaimed rubber

Width: 1-2m

Length: 10-50m

Thickness: 3-20mm

Colour: can be custom

Application: Substation, power plant, power distribution room, laboratory, field live work, etc

Advantage: Insulation, anti-skid, corrosion resistance, aging resistance, high and low temperature resistance

模具

Mold custom processing and manufacturing

(定制生产模具)

Max processing size : 3.5m X 2m X 1.2m (11.5' X 6.6' X 4')
最大加工尺寸 : 3.5米 X 2米 X 1.2米
